About ROMII

ROMII is an award-winning Australian artist and songwriter who blends soul, R&B and pop with emotive, honest lyrics. Complex called her Australia's trap-soul queen after the premiere of Wild Heart, which went on to win Urban Song of the Year at the 2017 Queensland Music Awards and earned a Video of the Year nomination for the clip she directed herself. Cupid Love made an impact on independent and label charts, and You Keep Running was supported by Hit, Nova, The Edge 96.1, triple j Unearthed and iHeartRadio. On stage she has opened for Jacquees to a sold-out Brisbane crowd, supported T-Pain, and sung for 38,000 people at Suncorp Stadium for Nova. Her new single Hold Me Down is out now.
